

World Genius Council

Integrates Infinity Forever

Genius Internship Program: 2021-22

OPEN FOR CLASS 2 to 8

1. Genius Internship Program – GIP

World Genius Council conducts World Genius Search Examination (WGSE) for Grade / Class 1 to 12 every year. WGSE is a Global Benchmark Test that leads to Global Genius Awards, Global Percentile Score (GPS) and Global Intellectual Index (GII). GII is a Caliber Measurement Tool which is computed on a scale of 0 to 9. It is derived from all the WGSE scores when a student takes WGSE year after year. WGSE will be extended to Graduate & Post Graduate Levels by 2023.

We are getting requests from various stakeholders to provide study material for the preparation of WGSE. Considering the prevailing COVID – 19 situation and the new Education Policy, we have decided to introduce Full Year Genius Internship Program (GIP) for the students studying in Grade / Class 2 to 8 during the academic year 2021 – 22 beginning April 2021.

Genius Internship Program 2022 (GIP) admissions are limited to 100 students per Grade / Class for Class 2 to 8 on *'first come first serve basis'*. GIP is well-designed and students can do it at the comfort of their own home. As Genius Program mainly focuses on Mathematics and Science of the respective class, students joining for GIP need not go for tuitions or any other support for their studies.

2. Prime Idea and How it Works

Genius Internship Program is designed to help students to become good decision makers and world leaders. We do not teach but facilitate right learning by connecting daily life situations with their syllabus. This generates better understanding and interest in the subjects concerned.

3. Duration

WGC Genius Internship Program will commence from mid-April, 2021 for the full academic year. Bookings are currently open for 100 seats per Grade / Class on first come first serve basis.

4. Subjects, Areas Covered and Activities:

Full syllabus of Mathematics and Science of the respective Grade / Class will be covered. Further, we are taking a futuristic approach using 'STEM' to mould them as effective decision makers with high moral values. Students registered for Genius Internship Program need not spend exorbitant amounts of fee for Coding and related courses as we help them to learn Artificial Intelligence, Coding, Machine Learning and Deep Learning with a bit of AI Robotics; depends on which class they are in.

Live online interactive classes through ZOOM and online assessments are part of the program. Experiments, animations, books, notes, links to video clippings and other required tools will be provided to them. Internet is required to join live classes, the suggested videos and related activities.

The following table can give an idea about our activities that are unconventional and innovative. Most of the occasions, a reverse mode works faster than the straight

mode. Using those tools, we facilitate children to apply Mathematics and Science in daily life, effortlessly with pleasant mood.

➤ Class / Grade	2	3	4	5	6	7	8
▼ Activities							
Live Interactive Online classes	✓	✓	✓	✓	✓	✓	✓
Explanatory Materials	✓	✓	✓	✓	✓	✓	✓
Worksheets on Daily life confined to their own subjects and syllabus	✓	✓	✓	✓	✓	✓	✓
Locate Mistakes & Puzzles	x	✓	✓	✓	✓	✓	✓
Hybrid Open Book Tests & Crosswords	✓	✓	✓	✓	✓	✓	✓
Master Questions, wherever possible	✓	✓	✓	✓	✓	✓	✓
Frame Questions on Given Parameters	✓	✓	✓	✓	✓	✓	✓
Project Reports from Daily Life	x	✓	✓	✓	✓	✓	✓
Experiments & Projects @ Home	x	x	x	✓	✓	✓	✓
Video / Youtube Clippings	x	x	✓	✓	✓	✓	✓

Note: The live lectures will be held at a convenient slot in the evenings.

5. Instructional Approach

Our instructional approach is mainly focused on (1) Own the Ownership of Learning (OOL), (2) Diverse thoughts in learning Process and (3) Creative and Critical Thinking.

The RDW Mode

Read, Draw and Write. Read the given situation or the question first. Then represent it by drawing figure/s for conceptual clarity. If it is in Mathematics, write a number sentence. Thereafter, students can derive (or translate) a word sentence or statement from it.

Example

What do you mean by $a + b = b + a$?

In the conventional scenario, the answer from a student will be its property name. In our case, we explain it the other way – If we translate that Mathematical equation to English language, it reads “addition from left to right is equal to addition from right to left” When we write so, it consumes around 65 letters (characters), more space, time, ink and energy. When you translate it into the language of Mathematics, it takes only 7 letters $a + b = b + a$ and that indicates much less time, space, ink and energy. See the advantage of Mathematics!

6. Calibrated Assessments

Our dynamic assessment mechanism will be focused on how children can approach any situation in life by using their developed ability to:

- | | |
|---|--|
| (a) <i>Distinguish a fact from Opinion</i> | (b) <i>Compare and Contrast</i> |
| (c) <i>Detect Bias</i> | (d) <i>Predict & Categorize</i> |
| (e) <i>Analyze, Sequence and Summarize</i> | (f) <i>Infer and make own Decision</i> |
| (g) <i>Evaluate, Synthesize and Generalize.</i> | |

With these skill sets, children can redefine their life and invent new theorems for others to follow.

7. The Target:

Our children need to grow beyond the defined boundaries with sharp observation and accelerated thinking skills to make quickest decisions which are flawless and precise. Though it is not part of their curriculum, we have included Artificial Intelligence along with it as more than 70% of the jobs and activities will be using AI with robotics, in the coming years.

8. Program Delivery

The books, notes and the assessment tools will be sent to the student's residence through speed post. The classes and assessments will be held online.

9. The Result - Genius Internship Award 2022 & Certification

The Genius Internship Program will offer the following apart from the intellectual enhancements.

1. Genius Internship Award 2022 – Class wise Trophies for the top performers
2. Genius Internship Certificate & respective Medals – Category wise with Score
3. Personalized & Extensive Caliber Report
4. List of domains where the student should focus
5. Report on Strength, Weakness and Limitations
6. Identified Giftedness & Remedial Measures to overcome weakness

10. Fee Structure

One Time Fee Payment:

WGC fee is lower as we do not advertise. Expect quality in quantity at affordable fee. Parents can reserve (AY 2021-22) admissions of their children by paying the fee now as the class wise seats are limited to 100. Please refer the Fee Structure. Concessions are available to the first 100 on *First Come First Serve Basis*; depends on their score in WGSE 2020.

IN INDIA:

WGSE 2020 SCORE		98 to 100	Below 98 to 95	Below 95 to 90	Below 90 to 80	Below 80 to 50
INDIA						
Concession		50%	40%	30%	20%	10%
2	20000	10000	12000	14000	16000	18000
3	20000	10000	12000	14000	16000	18000
4	20000	10000	12000	14000	16000	18000
5	22000	11000	13200	15400	17600	19800
6	22000	11000	13200	15400	17600	19800
7	24000	12000	14400	16800	19200	21600
8	24000	12000	14400	16800	19200	21600

OUTSIDE INDIA

WGSE 2020 SCORE		98 to 100	Below 98 to 95	Below 95 to 90	Below 90 to 80	Below 80 to 50
OUTSIDE INDIA						
Concession		50%	40%	30%	20%	10%
2	32500	16250	19500	22750	26000	29250
3	32500	16250	19500	22750	26000	29250
4	32500	16250	19500	22750	26000	29250
5	35000	17500	21000	24500	28000	31500
6	35000	17500	21000	24500	28000	31500
7	38500	19250	23100	26950	30800	34650
8	38500	19250	23100	26950	30800	34650

Further to the above, those who enroll for Internship Program are exempted from WGSE Fee and they need not pay Rs. 700 (In India) or INR 1200 /USD 18 outside India for WGSE 2021

11. How to Apply?

The early the better; as seats are limited to 100, once again. You can pay by IMPS / NEFT / UPI / Google Pay / Cheque OR Cash deposit in any of the State Bank of India Branches near to you. Please mail us the scanned copy of the counter foil as you transfer / deposit the money along with student's details (use the scanned copy / Screen shot) to worldgeniuscouncil@gmail.com with a copy to response@worldgenius.global

Details Required:

- 1.WGC Student ID: (If the student has it; otherwise leave it blank)
- 2.Student's Name
- 3.School Name
- 4.Residential Address
- 5.Parent's Cell Number
- 6.Email ID
- 7.Amount Paid
- 8.Way of Payment & Reference No. or Receipt Screen Shot

12. The Account Details:

Account Name: **WORLD GENIUS CONCLAVE PRIVATE LIMITED**
Account Number: 34880765168
Bank; STATE BANK OF INDIA,
Branch: New Panvel Branch, Navi Mumbai
IFSC: SBIN0060383
SWIFT CODE: SBININBB531
